

EXAM DETAILS
BME 473/7 ~ Applied Biomechanics

Exam	Material	Date	Time	Place
Midterm 1	Introduction, Tuned track, Locomotion, Ground reaction force, Kinetic energy, Muscle architecture, Optimal fiber length, Maximum contraction velocity, Force-length-velocity relations	September 15, 2020	9:50-11:05AM	Online
Midterm 2	Muscle-tendon interactions, Force-length curve, Force-velocity and mechanical power curves, Moment arms, Muscle adaptation	October 13, 2019	9:50-11:05AM	Online
Final	All	TBD	TBD	Online
